

Paper Star Plus

The Paper Star Plus is a fireproof document safe combining EN 1143-1 Grade 1 burglary certification with a 120-minute fire rating for paper — the longest paper fire rating in the Paper Star range. Five sizes run from 114 to 560 litres, holding 8 to 42 lever-arch binders. Every Paper Star Plus is independently tested for burglary resistance to EN 1143-1 and certified by VdS in Germany. The 120 minutes is a paper rating; data media need a lower internal temperature, which the Fire Star Plus and DataPlus ranges provide.
